

9. (Amended) A handset as claimed in [any of claims] claim 1 [to 6], wherein the contracted version of the item is a reduced size version.

10. (Amended) A handset as claimed in [any preceding] claim 1, wherein the input comprises means for identifying an item to be selected by the selection means.

16. (Amended) A handset as claimed in [any of claims] claim 12 [to 15], wherein the key means comprises navigation means.

18. (Amended) A handset as claimed in [any preceding] claim 1, wherein the item to be presented is a user defined item and the handset comprises means for storing that item.

19. (Amended) A handset as claimed in [any of claims] claim 1 [to 17], further comprising a radio receiver for receiving an item to be presented on the display, and for forwarding the item to the contracted and expanded version provision means.

20. (Amended) A handset as claimed in [any preceding] claim 1, wherein the item is one of a selection of items to be presented together on the display.
